Conference Objective/Description

This conference is designed to promote best practices and provide a comprehensive review of current clinical challenges in selected pediatric sub-specialties. Topics have been selected based on educational needs determined from identified professional practice gaps, derived from past years' conference evaluations. Emphasis will be placed on the practical application of the evidence-based topics presented.

Attendee Requirement

Conference attendees are entitled to a certificate of credit which will be available online after the event. Successful completion of this activity is determined by attending the live activity and completion/verification of attendance form. Participants should only claim credit commensurate with the extent of their participation.

Target Audience

General Pediatricians, Pediatric Advanced Practice Providers, Pediatric Residents, Registered Nurses, Medical Students, Allied Healthcare Professionals

Educational Resources

Each registrant will receive an email to access the educational materials. Upon request, the syllabus is also available for purchase (\$20 USB flash drive or \$30 printed syllabus).

Physicians

Driscoll Health System is accredited by the Texas Medical Association to provide continuing medical education for physicians. Driscoll designates this live educational activity for a maximum of [twelve (12)] hours in AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This course has been designated by Driscoll for [four (4)] hours of education in medical ethics and/or professional responsibility.

Nursing

Driscoll is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. Driscoll provides up to 12 contact hours for successful completion of this educational activity.

Pain Management & the Prescription of Opioids Designation Statement

This course has been designated by Driscoll Health System for [one (1)] credit(s) of education in pain management and the prescription of opioids.

Human Trafficking

The Human Trafficking lecture is approved by the Texas Health and Human Services Commission in accordance with House Bill 2059. This lecture satisfies [one (1)] hour of human trafficking prevention training.

American Board of Pediatrics Maintenance of Certification Part 2 Points

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn up to [twelve (12)] MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC points.

Allied Healthcare Professionals

A certificate of attendance will be provided to other healthcare professionals upon request by specialty societies or other professional associations.

Disclosure Statement

The Driscoll Health System "DHS" Office of Continuing Medical Education "CME" department Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous DHS CME activities. All individuals in a position to influence and/or control the content of DHS CME activities are required to disclose to DHS and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of services at a DHS CME activity. Beyond the disclosure of financial relationships, DHS CME faculty are required to disclose to DHS and learners when they plan to discuss or demonstrate pharmaceuticals and/or medical or surgical procedures that involve the "off-label" use of a device or pharmaceutical. DHS is committed to providing learners with commercially unbiased CME activities. The content of these CME activities does not necessarily reflect the views or policies of Driscoll Health System.
